A Prayer to Hold the Day Sacred

Morning:

I welcome the daylight with Love and Gratitude.

I invite Creator and the Angels to be with me throughout the day,
to guide and protect me.

Thank you for this new day filled with Divine Blessings
and Gifts of Mother Earth's bounty,

All my needs are met and I allow the flow of ease,
joy and glory in and around me.

Midday:

As the midday sun kisses my face, I graciously accept all that is into my life.

I am thankful for the beauty in each and everything that the sun kisses.

I see with love, kindness and compassion.

I hear with love, kindness and compassion.

I feel with love, kindness and compassion.

I am love, kindness and compassion.

Thank you Creator and the Angels.

Evening:

I give thanks to Creator for a Blessed day as I see the brilliant sun set.

I give thanks to the Angels for all the signs and messages
given to help me through this day.

I give thanks to myself for all that I have given and received.

Creator and the Angels keep me safe and protected through the night.

Thy will be done.

An Amazing Collection of Light, Love, and Wisdom

By Goldenlover

365 Days of Angel Prayers is a remarkable book. The authors, Elizabeth Harper and Cathleen O'Connor,

have blended beautiful words and art to create a soulful journey through every day of the year. The magic begins on the cover with Elizabeth's wonderful art work and continues throughout the book, where each of the many souls devoted to the development of this publication have provided heartfelt contributions. Each day presents a divine connection to the angels through creative writings and incredible illustrations. These are true devotional messages, not the typical quips or cliches one often finds in a daily affirmation guide. Every entry provides a thoughtful connection that awakens deep feelings on the road to self discovery and a higher existence. The angels around us come to life on these pages, ready to join us and guide us as a constant presence in our lives. Some of the prayers will create smiles, while some may bring a tear to the eye, but each entry confirms the companionship of angels in our lives, regardless of your religious affiliation or spiritual connection. Whether you are new to the angel experience or a longtime devotee, this collection of light, love and wisdom will provide remarkable guidance on your journey through life and reinforce the belief that positive affirmations lead to magnificent outcomes. 365 Days of Angel Prayers confirms that our angels are all around us, just waiting for us to request their support and assistance in creating a higher consciousness and an exceptional life.

Many ways to read this book and reference guide.

By Deborah Lange

Cathleen O'Conner has done a superb job, of bringing a diverse group of writers together to create 365 days of prayers. It is wonderful to have such richness from the perspectives and insights of such a varied group. It is the kind of book that you can just open and trust you have landed on the right page for your inspiration for the day. It is a book, to go back to, and find a new insight over and over again. It is also very practical to have prayers related to events that occur over the year, such as the New Year, and new beginnings, Easter, the energy of resurrection, the energy of manifestation, the energy of eternal love etc. There is much knowledge shared about the angels as well as prayers and questions for reflective insight. There are many ways to read the book and use it as a reference and as a guide. I recommend this book with an interest in Angels and spiritual guidance.

Reading 365 Days felt like entering a community

By Alison Levy

365 Days of Angel Prayers is a collaborative book – one of humans and various angels. Reading 365 Days felt like entering a community, with the angels among us and inside us. The daily prayers are luminescent succinct angelic calls, and the monthly features are golden personal angel stories. As an astrologer and diviner, I find this book synchronistic and perfect for our times, an angel incantation which is uplifting, tingling and soaring. I feel grateful to receive this collection in time for the holy-day season, and I will cherish it as a morning prayer book, share it for friend's birthdays, and use it as a divination tool. 365 Days is a revolution and a gift!
