So, the means for you to obtain this [Alexis Sanchez: The Beautiful Game: Poetry In Motion By Thomas Jerome Baker](#) will be so simple, will not you?

ALEXIS SANCHEZ: THE BEAUTIFUL GAME: POETRY IN MOTION BY THOMAS JEROME BAKER PDF

The Beautiful Game... Alexis Sanchez, the electrifying and marvelous "Boy Wonder" from Chile, plays football with a grace and style that is magesterial, magnificent, and magical. He is pure poetry in motion. Follow his meteoric rise to stardom with Spain's most successful team of the past decade, FC Barcelona. In his final season with Barcelona, he scored 21 goals. In the World Cup he scored two goals for Chile. In signing Sanchez, Arsenal Football Club has definitely acquired one of the most exciting young players in the game today. Early in the 2014-2015 season, he has already delighted Arsenal fans with his dazzling play on the pitch, and most importantly, scored goals in all competitions he has played in: 1) The Champions League, 2) The Premier League, and 3) A fantastic free-kick goal against Southampton in the Capital One Cup. Southampton goalkeeper Fraser Forster had absolutely no chance to save it. He didn't even dive, and instead just watched the ball sail into the net. This is the type of goal Arsenal fans were dreaming about when the club spent £32 million on Chilean star Alexis Sánchez before the season started.

From Rags ToRiches

By Daphne Garrett

Alexis Sanchez has an amazing life story. He is a rags to riches story. The most important thing is that the money has not changed him. The "Daily Mail" reported on his background when he signed a contract with Arsenal. His story is a made for Hollywood movie: "Sanchez grew up in Tocopilla, rural Chile, and earned money from the age of six. His father abandoned him as a toddler and his mother worked several jobs to take care of the family. Alexis, who is 25, now earns £130,000-a-week! Sanchez used to perform acrobatics and box in the street for money. He was nicknamed 'El Nino Marvailla', or 'the Wonder Kid', due to his talents. He donated £140,000 to replace five football pitches near Tocopilla last year. " This book will help people to understand that you must never give up hope. If we try hard enough, we can achieve our dreams. I recommend this story for all people to read.

Inspirational, enriching, and a FEEL GOOD read for all ages!

By TwoFromTx

Alexis Sanchez: The Beautiful Game, was gifted to me, and albeit my first read by Thomas Jerome Baker, it will not be my last.

Even though basketball is my favorite sport, Baker skillfully peaked my interest in football /soccer with his

unique writing about not only the sport, but about an amazing and dedicated player. In unique style, Baker enlightens readers about this unconventional and inspirational player, Alexis Sanchez. In today's world of high paid, arrogant players in all realms of sports, it was refreshing to read about a man who did not let success go to his head or change his life in a negative way. I know the majority of players are nowhere near as humble as Baker depicts Sanchez to be.

Without this being a biography, Baker relates a poignant tale of unprivileged beginnings and a young man determined to rise above it all, with such finesse you feel you personally know Sanchez. What an insightful, beautiful story that should be read by millions of young people to encourage them to never stop following their dreams, but to know dreams only come to fruition if you do the required work and keep a positive attitude.

Alexis Sanchez: The Beautiful Game: Poetry In Motion, is a fast read that keeps one entertained and richer in spirit for having read it. I enjoyed this more than I ever thought I would (thanks for those shirtless photos, Mr. Baker!), and it touched me so deeply, I strongly believe it should be placed in schools. We can't all be the best athlete, but we can all improve aspects of our lives that will evolve us into better human beings.

Thomas Jerome Baker did a great job of turning me into a fan of his writing, of a sport that previously held little interest to me, and of Alexis Sanchez - who is a dynamic role model that teaches us to dream big, stay determined, and make your passion work for you. I am thankful to have received this gift and believe this story is relevant and important, especially in today's society.

Poetry In Motion

By Caujuan Akim Mayo

Football is just not my game. It holds no interest for me. 22 players running up and down a big field for 90 minutes only to finish with a score of 1-0 does not even begin to hold my interest. Since I received a free copy of the book in exchange for my fair and honest review, I decided to read the book anyway. When I read it, I admit I was bored at first. It read like Alexis Sanchez had paid the author to rave about his playing ability! But then I saw the first video where Sanchez does with his feet what a magician does with his hands to mislead the goalkeeper. I slowed that bit right down to see exactly how he did it. I can see now why the author describes Sanchez as poetry in motion. His goal was amazing, and from that point on I was hooked. I wanted to know more about Alexis Sánchez. Why did Manchester City pull out of the bidding for him? They must surely be aware that they missed out signing an excellent player. And then there is the fantastic goal he scored for Barcelona against Real Madrid. The commentary by Ray Hudson is priceless: Quote - "He's off running like he's got a lobster down his shorts, but then he puts the ceramic brakes on...and then, takes the gravity of the moon and the planets into consideration"... Even though I still don't like football, the game is just too boring for me, I have become a fan of Alexis Sanchez. 5 stars for Alexis Sanchez.
