Tyler Evans is a cocky police officer who responds to Lauren's accident on Friday the thirteenth when some idiot runs a red light and hits her. Tyler and Lauren make plans to meet up later that night. Unfortunately, duty calls and Tyler gets held up.

While waiting for Tyler at the bar, Lauren is approached by Caleb, a gorgeous looking bad boy. Giving up on her MIA LEO, Lauren is instantly drawn to the fun loving Caleb.

When Tyler finally shows up at the bar an hour late, he's shocked to find Lauren in the arms of another man. Not just any man, but his best friend.

Lauren indecision between the two men leads her to cross a few lines. After that, all bets are off. Emotions run high, and somehow the three will end up in a no holds barred game, where the winner takes all.

ALL IN: BETTING ON A FULL HOUSE

Jessica Dodson's life has been anything but easy. At seventeen, she ran away from home with her younger brother to protect them both from their abusive father. Now she's ready to have a little fun, including a fling with a hot police officer.

Police Officer Tyler Evans can't catch a break. He was recently shot in the line of duty, and he just got dumped by Lauren, the first woman he's ever loved.

Jess, a sexy and sassy exotic dancer, is just the woman to help Tyler forget the woman he lost. She knows she's nothing more than a stand-in for Lauren, but being with Tyler, even temporarily, is just too good.

One night of excessive drinking sets a series of events into motion that will change Tyler and Jess's lives, making them question their future together.

Will Tyler be able to convince Jess that she's more to him than a distraction, a replacement for Lauren, and more than an obligation? Or will the ghosts of Jess's hellish past completely shatter Tyler and Jess's happily

ever after?

ALL IN: CALLING HIS BLUFF

Julie Reavis thinks the sorority girls at her expensive private school are all idiots. For some reason, they've wrongly mislabeled Dylan, her brother Will's long-time best friend (all six feet, four inches of his buff, blonde, Greek god-like gorgeousness) as being gay. However, she doesn't mind using their mistake to make Dylan an indecent proposal.

Jules asks Dylan to educate her in the bedroom, showing her how to be sexier and more desired by men. In exchange for his help, she'll pretend to be his girlfriend.

Millionaire Dylan Daughtry is tired of dealing with greedy gold diggers, but he's desperate to get laid. He's so desperate that he considers going behind his best friend Will's back to teach his little sister, Jules, the art of pleasuring men in exchange for her help "getting out of the closet" and squashing rumors about his sexuality.

Dylan surrenders to the temptation of Jules's offer, and they immediately start off her sex-ed with a bang. Dylan had no idea that the sweet, shy, and innocent Jules is a sexy little exhibitionist, or that he'd become addicted to her. Despite how much he wants her, he knows his best friend will never approve of him going after his little sister, so Dylan decides to just make Jules his sexy little secret.

When Will catches Dylan and Jules in the act he's quick to call bullshit on Dylan's confession of love, sure he'll break Jules's heart. Will's prediction comes true when a secret Dylan's been keeping is uncovered. Dylan suddenly realizes that the most important things in life can't be bought. He'll have to figure out a way to beg for forgiveness after hurting the one person he'd give away his entire fortune to have.

Hot! Hot! Hot!!

By Jill A. Harris

These guys and gals are HOT! You have to be careful holding your phone/kindle/book or it might just combust! I love how the stories are independent, however they all tie into each other. If you've not read one of the previous, you aren't in the dark, but you get more details on how and why something happened. I've loved all of Lane's books and can't wait to see what she comes out with next.

Triple the sexy

By Kairee Erwin

Copy for honest review

Book 1:

This book is unique and was kind of new for me because there were technically three main characters. Of the three stories in this box set, this was the most nerve wracking dealing with the chemistry between the three.

I did not like Lauren and after reading the set I still don't really like her. She has had a hard upbringing and does not trust easily. I feel that once she comes to terms that she has to learn to trust again she becomes more likable. Caleb is super sexy and fun. Their chemistry together brings out the best in both of them when they decide to commit. Tyler is also a sexy character, who I feel needed time to grow as a person but has a lot to give. The story of this triangle is intense and erotic.

Book 2:

Tyler finally gets his chance to have love. I feel that after the emotional drama that Tyler went through in the first book that it's understandable that he doesn't want to get too attached. However when he decides to commit, he becomes one of the sweetest men I've read about.

Jessica is sassy strong women who has also had a hard upbringing. She takes care of her younger brother Jon. There is an intense situation that Jessica goes through. Though the way she went about it at first annoyed me I feel that her character gives you events you connect you and makes you think while you read. Their story has many ups and downs and intense situations but also beautiful events.

Book 3:

Dylan is my favorite of the three hands down! He's sweet and sexy and sometimes while reading just made me melt. Then you have his erotic side that never ceased to surprise me.

Julie is a head strong women who needs to gain some confidence in herself. She's tired of just being the little sister. I feel she grows into herself as a women. This story is sexy and sweet all together.

Dirty romantic

By john makaokalani

Dirty romantic is the best way to describe this series. Of course that is 'dirty' in a good way! I don't always enjoy sex scenes but the scenes in these three books were enjoyable and not too over the top. There was enough of a good storyline to keep you hooked and wanting to keep reading. The next book is definitely in my future reading list.
