I love this book

By Lavender Murray

This is a great book. A must have for anybody wanting to know more about Angel Magic, but I would recommend it along with How To Hear Your Angels by Doreen Virtue. Because the author of THIS BOOK talked about chakra and hearing angels. But extremely briefly. She just mentioned without explaining how to hear Angels and how to open up your chakras. At least Doreen Virtue talked about all the things you could do to hear your Angels. But this is a good book for anybody who wants to do Angel Magic without doing any Enochian stuff.
