It will certainly not take significantly time to get this e-book Behind The Plaid (Highland Bound) By Eliza Knight, like when you have to choose e-book establishment.

BEHIND THE PLAID (HIGHLAND BOUND) BY ELIZA KNIGHT PDF

Book One: Behind the Plaid He dominated her mind. She possessed his soul. Emma Gordon escapes from a troubling marriage in which she's completely lost sight of who she is. Desperate for independence, she leaves her husband while on a trip in the Scottish Highlands. Only thing is, she ends up hurled back in time to the 16th Century Castle Gealach and headlong into the arms of the handsome, intimidating Laird Logan Grant. Thrust into a world filled with treachery, danger and intensity she must summon the courage to find her way. Logan is tormented by a dark past and harbors a secret that could tear his country apart. He's consumed with the need for control which wars with his longing for harmony. Unable to resist Emma's beauty and spirit and the calm that she invokes, Logan confesses he desires her—but only on his terms. He promises erotic encounters that will change them both forever, and quench their overwhelming desire. Despite her own reservations, Emma longs to get close to the mysterious laird, even while she is desperate to return to her own era. She agrees to Logan's proposal to satisfy her curiosity, but in the end embarks on a daring, passionate affair that rocks her to the very core. Secrets are uncovered, souls bared, spirits transformed. Neither of them can hide behind the plaid.

Sigh.....another darn trilogy.

By Kindle Customer

I happen to like this author and I have enjoyed other books that are part of her Stolen Bride series, but those books pretty much are stand alone and you can enjoy them without reading any others, but this one you cannot. I was intrigued by the time travel aspect of this story and was looking forward to a good read, but after about the first few chapters it became kind of boring. Most of the book was about sex, which is not all bad but I read Highlander romance books for the rich history, colorful descriptions of every day life, and the

intense conflict that the warrior aspect brings to the story. I never got that breathless anticipation with this book and we are just left hanging at the end. You have no choice but to buy the next two books in order to know what happens to Emma and Logan. We are given a synopsis of each book at the end of this one and if had read those to start with I probably would have rethought my purchase of this book. It's not a bad read, but it's not her best.

Sizzling hot

By romance junkie

I have read tons of romances over the years, and this has to be one of the hottest. The sexy hero speaks his mind and admits his feelings. It's so nice to read a romance where both characters are real and talk to each other without misunderstanding. The mystery of his past and what he protects is just icing on the cake. I can't wait to read the next book in this series. Will our heroine stay or find a way back to our time? I know what I would do, learn Gaelic!!

disappointing

By Amazon Customer

To me this story is less about Time travel then it is about Sex. Hardly a page goes by they are not in the Sex mode. This book is as close to being a erotic book then it is about romance. I wish they had labeled it as such.

Truly disappointing as the real story is about a chapter long.I know I won't be buying this author's books anymore,
