Book One of the Serpents and Saints Saga Holly Hawthorne was just a good girl with a Cassandra Complex, but that all changed when she opened her door to the handsome, sarcastic vampire bleeding on her porch. And something about his peridot eyes seemed too familiar... Hadn't she seen them before somewhere? Surrounded by a cheerleading werewolf with pink fingernails, a Russian Amazon with a fetish for big guns, vision-impaired vampire, and an ancient prophecy, the caustic couple has to wonder: can true love really conquer all? Even death?

I'm a sucker for vampire books

By Marc F Faggin

This must be a new author cause this is the first time I come across Fallon Jones and there were no reviews to guide me, but on a whim I decided to buy this novel because, what can I say, I can't get enough of vampire novels! This one doesn't disappoint. It's very readable, moves quickly, characters are well developed and 3-dimensional and by the time it ends, you'll be left wanting more. Vampire lovers, you'll get your fix. I look forward to the next installment. Hope they don't keep me waiting too long!

Vampires, Werewolves and Teenage Love!

By James A. Allio

Written by a teenager for teenagers (though adults will enjoy also), "Bite Me" introduces us to a remarkable young writer, Fallon Jones, and a winning teen heroine, Holly Hawthorne. Holly falls in love with a vampire (forever 19) who is being chased by a pack of rabid werewolves (is there any other kind?) in this fast-paced thriller that rushes at breakneck speed to a startling cliffhanger of a finish. No doubt we will be seeing more of the resourceful and dry-witted Holly as well as her very talented creator. I actually ran into Jones at MacWorld earlier this year sitting at an exhibit booth with a copy of "Bite Me" in front of her, struck up a conversation, and she signed and gave me this book. Can't wait to see what's next for Holly Hawthorne AND Ms. Jones!

A fantastic YA fantasy novel

By Devin Reed

A fantastic YA fantasy novel, and good for adults as well! The best thing about this book is the characters- you start reading and just won't put it down, because you'll want to find out what happens next to Holly and Gerard. Finished it and immediately picked up book #2, The Jaws of Life!
