One of my favorite books this year

By Don Sharaf

One of my favorite books this year. Gaining appreciation for the roaring 40's and Furious 50's as a wilderness was a new perspective for me. Some of the themes seem to repeat in the book, but overall it's a great read! I'm not a baseball player and I loved The Brothers K, I'm not a Fly Fisherman and loved The River Why. You don't need to be a sailor to appreciate Godforsaken Sea.

By William P O'Brien

This book is about a sailboat race around the world, but the non-sailors I have given this to are as excited about the book as are the sailors. It is a thrilling adventure cast in some of the most difficult ocean conditions imaginable. It is well researched and very well written. It is probably the best nonfiction book I have read in the last 5 years.

Does not include Scottish or Indian British Military officers. Very "royal" sided, biased and heavy handed with a nod to "nobility".
