Life hasn't been easy for Samson Hardwick. At twelve he was ready to take his own life when the pain became too much. Yet, he was too afraid to go through with it. At sixteen he was ready to take the lives of all those that had made his life a living Hell. Even with the guns in his hands, cowardice got the best of him. Instead of going out in a blaze of redemption, Samson continued through his teenage years a tormented soul.

Demons still haunt him as a grown man. At his weakest moments, when the weight of the world seems too much to bear, the whispers in his head become booming commands. Plots and schemes of revenge tease and titillate Samson's psyche. Fighting the evil festering under the surface is a continuous battle. But sometimes, he's not strong enough. That's when Daemon takes over.

Dayum!

By Nichelle S.

I didn't know what to expect when I got this but I'm so glad I did. Samson might have a mighty name but what he lacks in assertiveness Daemon more than makes up for it. Can't wait for part two.
