Charlie is my hero. She was born blue, ...

By Frank Hoover

Charlie is my hero. She was born blue, with only half a heart and despite the many open heart surgeries she is cheerful, always has a smile and is truly an inspiration to all. You can't read this little book without being affected.

A must have for ANY adolescents library!

By Melissa Sweaney

This is a true story of courage and determination. Any child can learn from this book whether your ill or healthy. Every word resonates a powerful message of friendship and family values we should all live by. Great job and I look forward to more books from you. Illustrations are amazing too!

Charlie the Courageous (Perfect book to help teach character traits.)

By Kim

What a wonderful book! I teach 1st grade and plan to use this book to help students learn about differences and the importance of doing all we can to help others. Ties in nicely when teaching character traits. :-) My grandson was born with a congenital heart defect (CHD), the very same one as little Charlie. This beautifully written and illustrated book is very near and dear to my heart and I am so grateful to have a copy for my students.
