Liked the book

By Maria

Was a helpful book but it was too many questions. The questions, though, were good. I mentioned in another review that at this point there is a newer book out called "Top 5 Questions to Ask Your Doctor" that lists the questions by medical condition. Found that book more helpful. Top 5 Questions to ask Your Doctor: Important questions your doctor wants you to ask about your medical condition

0 of 0 people found the following review helpful.

A nice book for watching your health.

By George Rowsam

I had heard about this book and Amazon had it at a nice price so I bought it. The information inside is very up to date and informative.

I do recommend it to all adults.
