very helpful

By xier2010

this is a very helpful textbook, it has a lot of details help me understand the early childhood education better.

0 of 1 people found the following review helpful.

bad business! cargolargo restock fee!

By Teia

I ordered this item for my college course, but already let the cargolargo team know that the order was no longer needed. I returned to sender and they refuse to give me my full purchase price back. I never touched the book. I let them know it was not needed and sent it back yet they are keeping a restocking fee.
