Review

"Thomson offers an original and thoughtful re-examination of Erich Fromm's ideas, placing them in their intellectual and historical context and highlighting their relevance for our times. This book is scholarly, but written with refreshing clarity. I recommend it highly." - David Ingleby, Professor of Intercultural Psychology at Utrecht University

About the Author

Annette Thomson is a teacher of psychology and social sciences, working for the Open University, Glasgow University and Bell College. Her interests are mainly in social and developmental psychology.
