Review

“At 64 pages with numerous color photos Ice Cream briskly explains production, extraordinary early flavors, vendor carts & trucks, advertising, and the changing ways in which these treats were enjoyed in British society.” ?Andrew Brozyna, The Spunky Coconut

“Ivan Day's charming and mouth-watering history of ice cream has opened my eyes to the amazing world of Victorian ice cream... [the] book is illustrated with some incredible pictures from cookery books, and even photographs of Victorian ice cream molds.” ?Laura Crawley, Kitchen Retro

“For those who want to know more about the history of ice cream, Day's book is an excellent starting point. Quick, informative, and clearly written, it should satisfy anyone with an interest in learning more about the topic.” ?Richard Dansky, Sleeping Hedgehog

About the Author

Ivan Day is best known for his museum exhibitions of re-created historic table settings and is considered to be one of the foremost authorities in this field. In addition to his courses and museum work, Ivan is an experienced broadcaster, having worked in both television and radio, and has written books, articles and papers on English food history. Having started collecting antiquarian cookery books and culinary utensils when he was only thirteen, Ivan now has forty years experience of cooking period food.

This is basic, check out the soft documents of the book *Ice Cream: A History (Shire Library) By Ivan Day* and also you get it.

ICE CREAM: A HISTORY (SHIRE LIBRARY) BY IVAN DAY

PDF

Ice cream has been served in Britain since the seventeenth century. It has graced the tables of kings, and the cones of the working man; it has been plain, flavored, molded, sliced, squirted and scooped. It has made the fortunes of industrialists and put bread on the table of generations of Italian émigrés.

This new history of ice cream by food historian Ivan Day tells the whole story of ice cream in Britain, a story that has seen both the democratization of this favorite frozen dessert, and a fall in the standards of its production and presentation. It is a story of fine cuisine, of entrepreneurship, and of food for fun. Illustrated with archive material and photographs of historic ice cream desserts made from original recipes especially for this book, this is a remarkable tale of an extraordinary and much-loved food.

Most helpful customer reviews

4 of 4 people found the following review helpful.

great history of Ice Cream, making it, selling it, eating it

By J. Long

This little British book shows the old ice houses below ground, with architectural drawings, no less! The history of ice cream making is the best I have read - with grand illustrations, drawn with a master's hand.
