Jesus the Christ, a true gospel classic about the life and ministry of the Savior, has drawn readers closer to Christ for decades. Commemorating the 100th anniversary of the publication of Jesus the Christ and aligned with the New Testament study year, this unique study guide helps learners of all levels get even more out of their study of the Savior, the scriptures, and a beloved, classic book.

Following Jesus the Christ chapter by chapter, authors Richard Holzapfel and Thom Wayment relate the book to today's learner as they share discoveries from the past century, offer additional insights, suggest study questions, and provide a glossary of difficult words. Will this be the year you develop a deeper relationship with the Savior?

I have always like the book Jesus the Christ but I had never ...

By Jill D .

I have always like the book Jesus the Christ but I had never read from cover to cover. So 2015 I resolved I would truly study the life of Christ using the New Testament and the Jesus the Christ book. I have found the study guide a perfect companion. I read a Chapter then read what the study guide suggests then the scriptures. The study guide helps with some of the words and phrases from 1915 English. Gives updates using parts of quotes from modern general authorities and insights from the Joseph Smith Papers

5 of 5 people found the following review helpful.

Needed guide

By Ian

This book chronicles each chapter of James E Talmage's Jesus the Christ. The most interesting part is there is a section for each chapter of additional information since the book was written in 1915. This includes additional revelation and historical findings. Very helpful read and companion to an amazing work.

3 of 3 people found the following review helpful.

... not enough star rating to show how much I recommend it.

By david million

to any seeking the truth to the life of our lord and to answers the world stands so confused on there's not enough star rating to show how much I recommend it.
