Chaque jour en France :

450 violences sexuelles hors ménage  
1 360 violences physiques hors ménage  
4 800 voitures vandalisées  
20 000 atteintes aux biens  
33 000 crimes et délits

Le problème, c'est que des gens lisent ce livre -  
Apolline de Malherbe, Canal+

Jailli des rotatives un matin d'hiver, le livre que vous tenez entre vos mains allait dynamiter le mur du silence et devenir, en quelques semaines, un véritable phénomène de société aux retombées médiatiques internationales. Première photographie haute définition de la réalité criminelle française, cette enquête pulvérise pour la première fois les tabous du laxisme judiciaire, de l'ultraviolence, et de la part de l'immigration dans l'insécurité. Soutenu massivement par la population, les forces de l'ordre et les victimes, cet objet de scandale reste à ce jour le document d'investigation criminel le plus lu de l'Histoire de l'Hexagone. Le livre orange aux 200 000 lecteurs revient dans une édition très augmentée, pour livrer le témoignage définitif de la guerre civile en cours.
