I am a fan of the Nolo series books. They are well informed and researched and written by knowledgeable sources. Although you may need to do further research into certain topics after reading the book, you are provided with a solid basis to introduce you to the topic.0 of 0 people found the following review helpful.

This was perfect for our needs

By Ralph

This was perfect for our needs, my only complaint is that I was led to believe that we could download a lease agreement free of charge, admittedly there is one that can be removed from the book, but you can only use it once unless you make copies before using it and of course remembering where you put them the following year.0 of 0 people found the following review helpful.
