Believers across this nation and around the world are overwhelmed, oppressed, struggling, and defeated in their attempt to live the abundant life Christ came to give them. I am convinced, however, that if more churches would embrace the ministry of deliverance and employ a systematic approach in offering deliverance, the results would be phenomenal. Instead of an army of weak and ineffective believers, a new generation of bold conquerors set free by God and empowered to set others free would arise. Dr. Moussa Touré has released a powerful weapon against the prince of darkness in his new book, *Loose Him and Let Him Go*. Intellectually prepared to analyze the problems and research the issues, Dr. Touré is experienced in the subject of deliverance and addresses herein the controversies that unfortunately surround and hinder the ministry of deliverance. If you, as an individual, or your church need theological and practical help to remove one of the major obstacles to spiritual growth-demonic oppression-this is the book for you! "Dr. Touré's firsthand and ongoing ministry in helping people find freedom in Christ means that this information is not mere theory or speculation. What this manual teaches when practiced by you or your church will revolutionize your ministry and incapacitate the enemy." -Bishop Darlington G. Johnson Dr. Moussa Touré, a former Muslim now an ordained minister, holds several masters degrees in science, a post master degree in aviation, and a PhD in theology (North Carolina University). He has ministered the gospel of Jesus Christ in over thirty countries. Dr. Touré is also the author of *The Prayer Warrior's Confession*, a document to help believers "hold fast 'their' profession." He and his wife, Esther, have two children, Yannick and Faith.
