Good overview of Oregon laws and regulations.

This was an easy-to-read, good overview of the Oregon pharmacy laws and rules/regulations. Recommended as a supplement to the actual laws.

Nice, concise and makes a lot if sense than going thru the boring laws on the board of pharmacy Web page. I mostly red the federal book and it helped even with Oregon law. The only bid difference from federal was the record keeping in Oregon is 3 years and 2 in federal. Also the birth control law, marijuana and pseudoephedrine. But I definitely unupdated version of this and the federal book is what you need for the Oregon mpje.

Information did not match current law. Majority of book was just Oregon law transferred into kindle format but out of date and without reference numbers. Did not provide any additional insight or explanation either.
