Excellent step by step directions for using Sketchup 2013

By Dave

I am still working my way through the book but it has been well worth the money so far. I am a real novice at this and have been impressed with the directions and explanations. It will be a good reference book to keep on hand to refer to.

Drawings are illegible

By Donald J. Dearborn

The diagrams are poorly prepared for kindle. I could barely see and the dimensions on the drawings are illegible. I returned for a refund
