Good Singing

By Amazon Customer

Lively music, familiar tunes. Too fast for language learners to follow. I listen and learn the songs in my car, then teach them to my students. I bought the other two (Teach me more Spanish, and Teach me even more Spanish) and I and my kids love them all!

There is one song and dialog for each month of the year.

Great way to introduce second language to little ones!

By Christine M. Snow

The "Teach Me" series is a great way to introduce a second language to little ones. The songs on "Teach Me Spanish" are adorable and they are sung in both English and Spanish so that children can make meaningful connections between the two languages. It is not too overwhelming with lists of vocabulary and grammar. However, if a child learns even one song on the tape, she learns a list of at least 10-15 vocabulary words, grammatically correct sentence structure and fluid, correct pronunciation. Age-appropriate for even preschoolers, because it is learning through music and is fun.
