He's totes the Zodiac Killer.

What an amazing book, truly. Everyone should buy it. The author has a wonderful style of writing and he really gets Cruz's BOMBASTIC flippant tone. There is enough graphic violence to satisfy the most mean-spirited Republicans. I could have done without the explicit sexual content, but you can't talk about Mr. Creep-Factor Ted Cruz without the awkward sexual content... Oh, and he is totes the Zodiac Killer. After reading this epic book, I am 100% convinced. Find out about the serial killer who lives among us and will soon be President of everyone, but most importantly of YOUR daughter. Everybody buy this book!

Loss of words

This book has opened my eyes so much in the 30 minutes it took to read it. Never before had I cared to notice Cruz's Homo-erotic fantasies play in his eyes. Never before would I have guessed that a man running for president of the United States was this cynical. No doubt in my mind that Cruz is the Zodiac Killer.

HOT READ~!!!

By Amazon Customer

I read this book because I had a theory for a while that ted was secretly INLOVE with the zodiac killer, well I was half right... This is a hot read full of steamy romantic lust. I had no idea he was the zodiac killer!! HOWEVER THIS BOOK OPENED MY EYES. Its almost as hot as cthulu's daughter I love that fanfiction. I know some people will say that this book is a fanfic as well, but in all honesty I think its the truth disguised as a book. It's hot lusty, steamy, graphic, violent, and buetiful I love this book. You should read it bRAH - Adam/Amanda Snowflake
