Satisfy the hunger in your heart!

An exciting and insightful journey into the visionary world of The Seer.

The prophetic movements in church history and in contemporary life are fed by two mighty streams:

- \* the prophet, whose revelation is primarily verbal
- \* the seer, whose revelation is more visionary

While the role of the prophet is familiar, less is known about The Seer dimension. To many people, these visionary prophets remain mysterious, other-worldly, and even strange. Knowledge dispels misunderstanding, and you will discover the prophetic power of dreams, visions, and life under the open heavens.

Questions answered include:

- \* How does visionary revelation happen? Can it be trusted?
- \* Where does it fit into your life and today's church?
- \* Can any believer become a seer? Is it a prophetic dimension reserved for the spiritually-gifted?

The Seer will move your heart and stir up your hunger for intimacy with God because the seer's goal is to reveal the person of Christ Jesus--to you, today.

Wonderful Insight to the Seer Prophetic Ministry...Those Who Are Called To This Ministry Will Be Greatly Benefitted!

By L.B.Charlotte

I just finished reading this book and I thought it was fantastic. It is the first book I've read on the seer prophetic ministry. I was an atheist for years, but then got supernaturally saved and baptized in the Holy Spirit at the same time and immediately began moving in dreams and visions. I thought it was odd that I would mostly receive revelation for myself, others, and the church through dreams, rather than ministering to a person and receiving a word as I was speaking to them. I would pray and ask God to give me revelation through visions as I would minister in person on the spot but it would very rarely happen. I learned through this book that I'm actually a seer and received my calling last year. I then found this book and felt it clearly outlined my gift and helped me to understand who I am and how God made me to function. The seer ministry has never been taught in any church I have attended and I've been to plenty charismatic churches. I find this sad but I believe it won't always be so. There's also an impartation from this book. Before anyone dings me on that, remember that even in the bible, the anointing was transferred through handkerchiefs. I felt this book was pretty solid biblically and James speaks with a heart of love. You will learn more about this ministry and if you're already functioning in it, you may learn some great nuggets and may even be sharpened like I was. I'm looking forward to reading more on this awesome ministry. Thank you James for sharing your wisdom and insight. I'm actually reading it a second time, that's how great it is. Give it a try, you won't be disappointed!

Profound truth!!!

By Ricky Boshell

It really goes into thorough detail about the scriptures and expounds and enlightens the reader into a greater understanding and depth and awareness of spiritual understanding. I was questionable about the content and reliability of the writers views and interpretation before I read it, but after reading some of it and taking it in, it really has helped my understanding a lot and I am so glad to have purchased it!
