Very Disappointed

By D. M. CUPP

I have sent an email to the seller. Very disappointed with the condition the item arrived in. It was described as very good condition, the spine had a tear on the cover, the pages were barely hanging on by the threads because the glue was non existent. The book did not contain a cd as described and if it would have it would of been bigger than the book which would fit in my jean pocket. Wanted for my grandson's first birthday Oct. 30, but looks like I will have to make a trip to the city:(D.M. Cupp

Great gift idea

By D. Helenski

I purchased this as a gift for a baby shower. My friend loved it, especially because it came with a CD version of the book.
