Great book whether read a day at a time or continuously

By M. R. Warner

Patient but direct style of E. Stanley Jones is wonderful. His approach of short messages put in small topical groups is better than other devotional styles that have less structure. You can easily read one day at a time or in groups of 6-7. ESJ has several devotionals worth reading including "The Way".

Poignant thoughts on the Christian life.

By Amazon Customer

E. Stanley Jones was an international ambassador of Christ especially to India.

This IU's a daily dose of his clear thinking on the theme of victoriously living in Christ and how it effects our life in the world we live in.

CSL recommend that we read "old books"....

By donald h.

The delivery and physical condition of book was excellent. It had not been read. Struck me as sad considering it was a gift from loving parents to a wayward son... They had written a note

To him on the front cover.

We can lead them to the trough, but can't make them drink.

I am enjoying this book as a daily devotional and it goes well

With my copy of Abundant Living by Stanly Jones that I have been studying for several years.

Sincerely

Don Graves
